## SECTION E: AI FACE SEARCH

AI detects faces, converts to embeddings, uses FAISS for search

| Sensitivity | Matches | Accuracy |
|-------------|---------|----------|
| 70-75%      | Many    | Low      |
| 76-84%      | Medium  | Balanced |
| 85-95%      | Few     | High     |

## SECTION F: PHOTO MANAGEMENT

| Parameter  | Limit         |
|------------|---------------|
| File types | JPG, PNG, GIF |
| Max size   | 10 MB         |
| Max files  | 100           |

## SECTION G: TROUBLESHOOTING

Fix login, upload, face search, OTP issues

## SECTION H: SHORTCUTS

| Action | Shortcut |
|--------|----------|
| Copy   | Ctrl+C   |
| Paste  | Ctrl+V   |

## SECTION I: BROWSER SUPPORT

| Browser | Status    |
|---------|-----------|
| Chrome  | Supported |
| Firefox | Supported |
| Edge    | Supported |

## SECTION J: SUPPORT
